**King Sun Industry Company, Ltd.  
KFT Series CTI Certified Cooling Towers  
CTI Certification Validation Number C35D-16R01  
December 13, 2017 (Revision 1)**

## Footnotes:

1. Multi-cell configurations of the primary single cell models are certified with an adjustment of the inlet height of all of the cells to permit more open area for the remaining, unblocked, inlets of interior cells. This option limits the impact on airflow rate or capacity of the individual cells.
2. Certification includes optional items that do not affect thermal performance, for example, access ladder and handrails.
3. Suffix 'X' is affixed to model numbers of units that are not CTI Certified, due either to application or customer-required product accessories or modifications.
4. King Sun Industry Company, Ltd. has the following regional subsidiaries, in each case offering the same CTI certified models of the KFT line:
  - ShangHai King Sun Cooling Equipment Co., Ltd. (No.1296,Cheting Rd , Song-Jiang District, Shanghai, China)
  - King Sun (SanHe) Cooling Equipment Co., Ltd. (No. 327, Yan Gao Road, Yan-Jiao Development Zone, San-He, Hebei, China)

Certified Model Number Example: KFT-08083-GLK

- KFT – Line Designation
- 08083 – Model Number
- -GL – Galvanized Steel Construction (Note: -FL indicates FRP casing and basin construction)
- K – Fan Motor Size Designator
